NOW ON COMMON GROUND

JANUARY 9-11, 2009

DALLAS, TEXAS

The Texas Thoroughbred Association, the Texas Quarter Horse Association and the Texas Arabian Breeders Association are teaming up to create a bigger and better annual conference for 2009. This new and improved joint annual conference will be held the weekend of January 9-11 at the beautiful Westin Park Central Hotel in Dallas.

Join us as we all come together to celebrate Texas horses and horsemen with a weekend of educational seminars and planning for the future, all while renewing old acquaintances and making new friends. The conference will be highlighted by ceremonies honoring the best horses in Texas and their connections amidst fine dining and entertainment including a live band and a casino party. And it will all take place in a comfortable hotel offering first-class amenities.

Mark your calendars now and watch for more information to unfold on this exciting event as we move forward united in a spirit of breed solidarity to make Texas horses and horsemanship the best in the nation.
